Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: As applicant is a pro se, and because it is evident that applicant is unfamiliar with Office procedures for responding to Office actions and with making amendments, the examiner reviewed in detail the requirements of 37 CFR 1.83, 1.84, and 1.121. It is noted that a Notice of Non-Compliant amendment was mailed to the applicant on December 13, 2007, July 31, 2007, March 21 2007 and March 2, 2007 for deficiencies in applicant's response to Office action mailed August 29, 2005. It is also noted that the last properly filed claims were filed on April 20, 2005 and the last properly filed drawings were filed on May 28, 2004. During the interview, the examiner described in detail the manner of making amendments to both the claims and drawings.
